

## ELKH TITKÁRSÁG

### NEMZETKÖZI KABINET

#### Összefoglaló tájékoztató nemzetközi együttműködési lehetőségek, konferenciák és webináriumok vonatkozásában

2023. március 22.

#### TARTALOM

I. EIT Health Info day 2023 - information about European health industry tenders .....	1
II. Konferencia: Nők a tudományban (EN: Women in science conference - in Hungarian and French) .....	2
III. STOA Workshop: Tackling antimicrobial resistance: from science to policy .....	2
IV. Horizon Europe Health (Cluster 1) Consortia Building Event .....	2
V. Searches for partners .....	2
VI. Indicative list of calls in Horizon Europe with focus on Brazil and Latin America .....	3
VII. EU Knowledge Valorisation Week 2023 - Registration open .....	3
VIII. European Collaborative Cloud for Cultural Heritage Information and Matchmaking event .....	4
IX. Sign up as an Expert for CEF Energy! .....	4
X. Save the date: Online COST Info Day .....	4
XI. Kormányzati önerő alap jön létre a modellváltó egyetemek Horizont Európa projektekben való részvételének támogatására (EN: The government set up a fund to help participation of model-changing universities in Horizon Europe projects) .....	4
XII. International Science Council (ISC) opportunities and events .....	5

#### I. EIT Health Info day 2023 - information about European health industry tenders

The first phase of EIT Health's EIT- as a 'knowledge and innovation community' (KIC) EIT Health of the European Institute of Innovation and Technology (EIT) - calls for 2023 is now open! <https://itdweb.hu/europai-egeszsegipari-palyazatok/>

Details of the calls and further information can be found here: <https://innostarter.eithealth.eu/>

In addition, in order to navigate more easily between the application options, EIT Health organizes an information session, in the framework of which, in addition to explaining the application materials, it also shares useful and practical tips with interested parties in order to successfully submit an application.

**Date and time: March 27, 2023 from 3:00 p.m. to 4:00 p.m. ONLINE**

Register here: [EIT Health | Promoting innovation in health](#)

## II. Konferencia: Nők a tudományban (EN: Women in science conference - in Hungarian and French)

A budapesti Francia Intézet és a Nők a Tudományban Egyesület (NaTE) meghívja Önt egy egésznapos konferenciára, amelynek témája a nők helye a különböző tudományágakban.

A konferencia alkalmával vendégek között köszönhetik Bérengère DUBRULLE asszonyt, az "Év Tudósnoje" - a Tudományos Akadémia 2022. évi Irène Joliot-Curie-díja jelöltjét.

A nyolc vendég saját hangján mutatja be a nőknek a kutatásban és a tudományos ismeretek fejlődésében játszott szerepét, és arra ösztönöz majd, hogy megtörjük a nemi sztereotípiákat a tudományterületeken belül.

**Dátum és időpont: 2023 március 27. hétfő, 9:00 – 15:30**

**Helyszín:** A budapesti Francia Intézet Auditoriumában (1011 Budapest, Fő u. 17)

Ingyenes – Az esemény **francia és magyar nyelven kerül megrendezésre, szinkrontolmácsolással.**

Regisztráció: <https://forms.gle/vxu2pNtsYHaLXbfS7>, [Program](#)

## III. STOA Workshop: Tackling antimicrobial resistance: from science to policy

Building on the existing body of evidence regarding the multidimensional determinants and socioeconomic impacts of antimicrobial resistance, the STOA workshop will focus on the exploration of solutions to tackle this growing public health crisis, from research innovations in monitoring, therapeutics and vaccines, to a discussion of new inputs for policymaking. A series of experts from different academic fields across Europe will discuss possible ways forward. The STOA workshop will contribute to the Parliamentary discussion on the upcoming revision of the EU general pharmaceuticals legislation.

**Date and time: Wednesday, 29 March 2023, 10:00-12:00 CET Room SPINELLI 3G2 and online**

Programme and registration: [Tackling antimicrobial resistance: from science to policy | Upcoming Events | Panel for the Future of Science and Technology \(STOA\) | European Parliament \(europa.eu\)](#)

## IV. Horizon Europe Health (Cluster 1) Consortia Building Event

**Date and time: 30 March 2023, 09:30-12:30pm BST, Online**

This webinar - brought to you by Innovate UK KTN in partnership with the UK Horizon Europe Health National Contact Points (NCPs) - will focus on pitching of project ideas and brokering partnerships for European Research and Innovation collaborations and networking.

This event is suitable for anyone interested in collaborating in the Horizon Europe Health two - stage call and who are looking to submit a proposal idea or join a consortium. Delegates from all countries including European Member States and Horizon Europe Associated Countries are welcome and encouraged to attend and may also pitch at the event.

This event is not an information dissemination event but is aimed at those pitching project ideas and building consortia for European Research and Innovation collaborations and networking.

More information: [Summary - Horizon Europe Health \(Cluster 1\) Consortia Building Event \(cvent.com\)](#)

## V. Searches for partners

### 1. Tel Aviv University, Izrael

HORIZON-HLTH-2023-STAYHLTH-01-01: The Silver Deal - Person-centred health and care in European regions

Az izraeli egyetem vezette konzorcium az alábbi területeken szakértelemmel rendelkező partnert keres:

- Machine learning algorithms for big data manipulation
- Fall intervention digital applications (balance exercise, sensory, cognitive)
- Risk of fall assessment digital applications (hearing, eyesight; house hazard; cognitive; gait; balance)
- Geriatric clinician
- (Social and/or motor) frailty expertise

Partner

## VI. Indicative list of calls in Horizon Europe with focus on Brazil and Latin America

The aim of the list is to provide an indication of the calls where Brazil or Latin American countries participation are desired or required.

Indicative list of calls  
of the Horizon Europe

You can read more about their eligibility for funding here: [Horizon Europe work programme 2021-2022 - what's in it for Brazil and LAC? | EURAXESS \(europa.eu\)](#)

Please contact Júlia Morován Science and Technology attaché ([julia.morovan@mfa.gov.hu](mailto:julia.morovan@mfa.gov.hu)).

## VII. EU Knowledge Valorisation Week 2023 - Registration open

Registrations for the EU Knowledge Valorisation Week 2023 (25 – 28 April) are now open. The Week brings together research and innovation actors to exchange experiences, discuss current trends and challenges, and highlight valorisation opportunities with a wide range of stakeholders. [Register now!](#)

The EU Knowledge Valorisation Week 2023 will feature themed days devoted to sustainability, management of intellectual assets and industry-academia cooperation. The event will be an opportunity to explore the potential of the [Guiding Principles for Knowledge Valorisation](#). In the 'Valorisation Talks', practitioners will explain how the brand-new Codes of Practice on intellectual assets management and on standardisation will help R&I actors. The webinars will showcase excellent and concrete examples of how to put these guidance documents into practice for the public good and individual goals. These best practices of knowledge valorisation have been submitted by stakeholders through an open call on the [EU Knowledge Valorisation Platform](#).

## VIII. European Collaborative Cloud for Cultural Heritage Information and Matchmaking event

Are you interested in the call for proposals for the European Collaborative Cloud for Cultural Heritage (ECCCH)? Don't miss the ECCCH Information and Matchmaking Event **on 28 March 2023**. This event is your chance to learn about the European Collaborative Cloud for Cultural Heritage (ECCCH) and the funding opportunities it offers.

More information: [Events | The research and innovation community platform \(europa.eu\)](#)

## IX. Sign up as an Expert for CEF Energy!

The European Commission is looking for skilled and motivated experts to evaluate projects applying for funding under [CEF Energy](#), the programme supporting sustainable energy infrastructure projects.

More information here: [Sign up as an Expert for CEF Energy! \(europa.eu\)](#)

## X. Save the date: Online COST Info Day

This online COST Info Day is open to all researchers and innovators at any career stage and from any field of research, especially young researchers, as well as R&I staff. The aim is to inform researchers and innovators about how to connect with COST Actions or submit a COST Action proposal, the role and impact of the COST programme, and the benefits of participating in COST for researchers' careers, with a focus on young researchers.

For organisational reasons, registration through this webpage is necessary to receive the link timely to join on 24 May.

**Date and time: May 24, 2023, 10:00 - 11:30, online**

More information: [Online COST Info Day - COST](#)

## XI. Kormányzati önerő alap jön létre a modellváltó egyetemek Horizont Európa projektekben való részvételének támogatására (EN: The government set up a fund to help participation of model-changing universities in Horizon Europe projects)

A modellváltó felsőoktatási intézményeknek továbbra is lehetőségük nyílik a Horizont Európa kutatási programba pályázni és részt venni a nyertes projektek végrehajtásában. A nyertes konzorciumokban a modellváltó intézmények társult tagként kapcsolódhatnak és elvégezhetik a konzorciumban rájuk jutó kutatás-fejlesztési feladatokat, azonban a felmerülő költségeket a Horizont Európa program egyelőre nem finanszírozza.

A Kormány ezért úgy döntött, hogy biztosítja a nyertes Horizont Európa konzorciumokban résztvevő modellváltó egyetemek kutatási projektjeinek költségeit. A forrásra a kormány a Nemzeti Kutatási, Fejlesztési és Innovációs Alapon keresztül biztosít fedezetet, első körben összesen 5 milliárd forint értékben.

Az érintett KEKVA intézmények egyszerűsített, gyorsított eljárásrendben, az NKFI Hivatal egyedi támogatási rendszerén keresztül tudják benyújtani támogatási igényüket ([www.palyazat.gov.hu](http://www.palyazat.gov.hu)).

A teljes cikk itt olvasható: <https://nkfih.gov.hu/hivatalrol/hivatal-hirei/kormanyzati-onero-alap>

**EN:** Model-changing universities will continue be able to apply in the Horizon Europe research programme and participate in the implementation of the winning projects. In the winning consortia, the institutions can join as associate members and carry out the research and development tasks assigned to them in the consortium, but the costs incurred are not yet funded by Horizon Europe.

The Government has therefore decided to provide funding for the research projects of the model-changing universities participating in the winning Horizon Europe consortia. The funding will be provided by the Government through the National Research, Development and Innovation Fund, for a total of HUF 5 billion in the first round.

The KEKVA institutions concerned can apply for funding through the NRD1 Office's individual funding scheme ([www.palyazat.gov.hu](http://www.palyazat.gov.hu)), which offers a simplified, fast-track procedure. Read the full article here: <https://nkfih.gov.hu/hivatalrol/hivatal-hirei/kormanyzati-onero-alap>

## XII. International Science Council (ISC) opportunities and events

- [Call for abstracts](#) for the 2023 World Association for Public Opinion Research Conference (**deadline: 23 April**)
- [Falling Walls Global Call](#) for the Science Breakthroughs of the Year 2023 (**deadline: 1 May**)
- [Call for expressions of interest](#) to host the Future Earth Global Coordinating Hub (**deadline: 31 May**)
- **31 March:** Millets for Enhancing Agri-economy, Nutrition, Environmental and Sustainable Development Goals – <https://council.science/events/millets-enhancing-agri-economy-nutrition-environmental-sdgs/>
- **6 – 10 April:** Ethnografilm Festival 2023 – <https://council.science/events/ethnografilm-2023/>

---

*Kérjük szíves közreműködésüket abban, hogy a tájékoztató azon részei, amelyek a kutatóhely számára relevánsak, megküldésre kerüljenek annak vezetősége, illetve minden érdeklődő és érdekelt munkatárs részére.*

*Együttműködésüket köszönjük!*
