**III. CEF Energy launches EUR 750 million call for energy infrastructure projects**

CINEA has launched a new call for proposals with EUR 750 million available for key cross-border EU energy infrastructure projects included on the 5th list of Projects of Common Interest (PCIs). A virtual info day on the call will be held on 12 May. [More info](#)

#### **IV. The Cluster 5 Greenet Partner Search Tool is now live!**

The GREENET Partner Search Tool brings together organisations (Coordinators as well as partners) from across the world. This is a unique opportunity to generate new contacts and collaborate on potential Horizon Europe projects. Meetings will take place in a dedicated area and will be arranged in advance by means of this website throughout the whole year (2023).

The second purpose of the Greenet platform is online events. Stay updated with our online events by checking out the "Events" tab.

Registration is open till 31st December 2023 and meetings can take place anytime throughout the year.
